

## Extrusion Operator – Level 1

### Full Job Description

If you are mechanically inclined, interested in adding value through manufacturing, looking for the stability of a growing global company – an Ensinger career is for you. As an Extrusion Operator, you will be part of a team responsible for the safe, productive operation of a market leading company's innovative facility.

Ensinger processes high performance engineering plastics at our North American headquarters in North Strabane Township. Serving a growing market for engineering plastics, Ensinger combines our processing and extrusion expertise with a deep knowledge of high-performance polymers and applications.

Located in Washington County since 1985, Ensinger has grown year over year. To support our continued growth Ensinger has recently constructed a 65,000 sq. ft. warehousing and shipping facility.

### Key Responsibilities

- Work as a team to safely meet or exceed production targets and goals
- General manufacturing tasks (supply raw material, store finished goods, perform quality checks, set up & tear down equipment and maintain good housekeeping)
- Operate pressure extrusion equipment
- Support the care and maintenance of all equipment in safe operating condition
- Support continuous improvement projects

### Qualifications

- High school diploma or equivalent, advanced applicable technical education, a plus
- Demonstrated effective communication skills
- Detail oriented, ability to monitor production parameters and clearly report or record production data
- Ability to use hand tools, power tools and calipers/measuring devices
- Aptitude to learn and operate computer-based manufacturing equipment and systems
- Ability to lift 55 pounds
- Ability to stand for extended periods of time
- Willingness to work a rotating, continuous operating schedule based on 12-hour shifts. The schedule affords every other weekend off, while averaging 3.5 shifts per week.
- Previous experience in a manufacturing environment, a plus
- Working knowledge of computer software including Excel and Word, a plus
